RAISING GRANDCHILDREN SUPPORT GROUP

**13,000 children in Rhode Island are being raised
by their grandparents.**

Caregiving for grandchildren is a unique experience that puts a strain on the dynamics of the family in many different ways. Child & Family, in collaboration with the Newport County Prevention Coalition, will facilitate a support group for grandparents that are the primary caregivers for their grandchildren to allow for a space for grandparents to come together and provide mutual support.

We aim to provide a support group in two locations within Newport County; establish an email registry for families for on-going communications; and provide educational workshops.

If you are interested in attending or referring potential group members, contact Jennifer Allen, MSW at 401-780-2248 or jallen@childandfamilyri.org
