Dear Friends,

Child & Family is excited to celebrate the 150th anniversary of our founding as the first social service provider in Newport County and only the second in the State of Rhode Island. Our work ensures the care and advancement of more than 5,000 community “family” members each year. By preserving families, we strengthen the fabric of communities and move from a place of intervention to a place of prevention.

With the help of community partners like you we can continue our legacy of providing a center for community involvement – a place where people across a lifespan come together to give help, to receive help and to support the work of others.

On behalf of the staff, the board of directors and the wonderful 150th Anniversary Host committee, we hope you will join us as a sponsor of the year-long festivities commemorating our legacy of strengthening the fabric of family and providing the best care, support, and state-of-the-art facilities for children, teens, families and elders here in Rhode Island for 150 years and beyond.

Thank you,

Lyn Dawley

Celebrate Child & Family’s Legacy of Support for Children and Families in Rhode Island

At Child & Family, we hold two core beliefs...that individuals and communities thrive when supported by strong families and that a community works best when it accepts responsibility for all of its members.

These beliefs influence our every action and have fostered advancement since Child & Family opened its doors 150 years ago in 1866.

Join us in celebrating Child & Family’s 150th anniversary celebration by becoming a sponsor. As a Sponsor of Child & Family’s 150th year long Anniversary Celebration you will receive special event recognition, marketing, and event access while philanthropically strengthening and preserving the future of families in Rhode Island.

— OUR MISSION —

“Strengthen individuals, families and the communities in which they live by collaboratively identifying needs and utilizing best practices.”

Statewide Conference
Addressing the Needs of Youth in RI
Omni Providence Hotel

This Conference will bring attention to the needs of Rhode Island’s youth by gathering experts from some of our top think-tank organizations including the Annie E. Casey Foundation, Harvard University, and The Rhode Island Foundation. It is designed for professionals from Rhode Island’s public and private social service sector, state legislators, corporate and business leaders, state and national funders, private donors, and most importantly those who understand the need for change most – our youth.

Donor Celebration & Recognition Events

Child & Family along with a number of generous supporters will host three unique donor celebration events within the 150th Anniversary year. Each celebration cocktail party will be hosted with the goal of informing invited guests about the needs of children and families in Rhode Island, how Child & Family plays a key role in supporting those needs in Newport County and throughout the State, and how they can financially support the work of Child & Family and in turn the needs of those we serve. These events will be hosted in three unique locations and each event will be geared toward a different audience.

Child & Family’s Family Day will include a public dedication of an engraved stone bench in Newport, celebrating Child & Family’s legacy and the important role of “Family” in our community. Community businesses will be asked to participate and partner for this fun-filled family day of entertainment, food and fun activities in the heart of Newport.
