July 2022

Dear Friend of Child & Family,

Child & Family is excited to announce a return to an *in-person* **39th Annual Taste of Newport** on **Sunday, October 23, 2022, from 5 to 8 pm**, at the Wyndham Newport Hotel. As we plan for this important event, we are reminded of the critical role Community Partnerships play to ensure the success of our programs that benefit the Rhode Island children, families, and seniors in our care year-round. Your gift, of either a monetary amount and/or through our auction, will make a *direct* impact on those we serve. We hope we can once again count on you to support Child & Family through a gift towards Taste.

Please know that Taste is a celebration of the BEST Rhode Island has to offer. While events in 2022 continue to look a little different than years past, we can assure you Taste will be a joyful celebration with many community leaders, dignitaries, and friends of Child & Family. Taste of Newport is always a tremendous social and fundraising success, and this year our goal is to raise \$100,000!

As in years past, guests will enjoy a sumptuous variety of passed small plates and tempting tasting stations, presented by an array of the finest area restaurants, caterers, beverage vendors, and confectioners. Guests will enjoy an extended period of tasting, sipping, and mingling, along with the opportunity to bid on tempting silent auction offerings, all while learning about the important work of Child & Family throughout Rhode Island.

On behalf of Child & Family, and all those we serve, we are grateful for your generous and longtime support of our mission. We hope you will consider renewing your support as a **2022 Community Partner** by joining us at Taste. To learn more, visit our website for updates of auction items and restaurants leading up to the event at childandfamilyri.org. We look forward to speaking with you about the mission of Child & Family and how you might help further this work through your support of Taste of Newport.

Best regards,

2022 Sponsorship Opportunities

Proceeds from Taste benefit all Child & Family programs, below are examples of programs your gift will support.

RESIDENTIAL SERVICES PROGRAMS SPONSOR LEVEL Presenting Sponsor (Exclusive Opportunity) **\$25,000**

Child & Family's Residential Service programs include our **Supportive Housing for Homeless Families**, a transitional living program that provides homeless parents and their children with a safe, secure and therapeutic community in which they live for up to 24 months. Residents work with staff to gain parenting strategies, employment, educational opportunities, and enhanced life skills, as staff assists them to secure permanent housing. Our "Bridge to Success" **Independent Living Program** provides support for youth who are aging out of Foster Care or our Semi-Independent Community Living Program. By providing secure housing, employment counseling, life skills training, and other supports, the program will help ensure a smoother transition to adulthood for these vulnerable 17-to-20-year-olds. Often foster care is not an option for the youth in our **Semi-Independent Community Living Program**, and our experienced staff has the tremendous responsibility of helping these teenagers through the complex traumas they have endured. We endeavor to create a sense of "normalcy" by providing therapeutic support in a home-like and nurturing environment while assisting the adolescents in their educational and vocational goals to transition to an independent living setting.
